5 Puttonyos	2010/13	10	500		6

Varietal: Furmint – hárslevelű

Alcohol: 10.0%

Total acidity: 8.9 g/l

Residual Sugar: 120 g/l

Profiting from the same ideal growing conditions as the 3 puttonyos, the wine is deep yellow gold with an intense nose with impressive perfume and richness, with elements of brown sugar, caramel and apples. Huge caramel richness and sugar shows through on the on the palate with mouthfilling ripeness and intensity. Very long indeed with tremendous focus and clean acidity.

<b>Seven Hills</b>					<i>Italy</i>
Italian Dry Gin		40	700		6

VII Hills pay homage to Italy in all its essence. Using Italian materials and botanicals sourced from the Italian territory, VII Hills want to offer an authentic Italian experience, delivering an authentic taste of Italy with each bottle.

VII Hills Italian dry gin is distilled in Moncalieri, near Torino, a famous region known for the production of wines and vermouths. Using only botanicals and materials from Italy, the master blenders deliver the authentic “spirito Italiano” to each bottle of VII Hills. To achieve the unique Italian flavour and body, VII Hills is distilled in vacuum pot stills at a low temperature, which maintain the smooth and rich flavours of the botanicals. Each of the seven botanicals was used by the Romans for their medical and culinary purposes.

100% Agave tequila produced by the Orendain family in one of Tequila's oldest distilleries. Arette's is a heritage which symbolises quality amongst discerning tequila drinkers. Made only from blue agave plants grown on the family estate in Tequila Valley the tequila has the typical salt, white pepper and citrus notes of the region, using water from the wellsprings of the nearby Tequila volcano.

Using centuries-old production methods, Tequila Fortaleza is unrivalled in flavour and smoothness. Honouring the Sauza family legacy, Guillermo Sauza represents the 5th Generation of a family committed to crafting fine tequilas. The very same stone mill is used to crush the agave as when the family business started in 1873, using the original oven with its meter-thick walls, the agave is baked for thirty-three hours.

Nose: Hints of dark, sweet rye bread with black pepper, the nose is very savoury with hints of toasted cereal and a 'soft mouth feel' on the texture.

Taste: The pallet consists of light rye and toasted sesame, which develops into a savoury caramel throughout the taste.

Overall: a well developed finish with good length, lots of warmth and a long flavour.

Amarone Cask Finish		50	700		6	

One of Scotland's few remaining independently owned distilleries, producing a diverse portfolio of whiskies which reflect their stunningly beautiful West Coast island setting. Referred to as 'Scotland in miniature' the island's pure waters are cleansed by granite and softened by peat, contributing a unique profile to their whisky. Amarone cask finish is transferred to Amarone cask for 8-10 months to give a different twist to the classic Arran taste profile.

Sette Vie Limoncello utilises a unique infusion technique of fresh, natural lemon peels (that are particularly high in lemon oils) to deliver the best citrus taste to this traditional Italian liqueur. By sourcing our lemons exclusively from the best orchards in Southern Italy, Sette Vie Limoncello has a robust, yet perfectly balanced, crisp and refreshing flavour that is unparalleled. Through the combination of Italian tradition, heritage, & knowledge of distilling lemon liqueurs and the use of only quality natural ingredients, Sette Vie is the perfect expression of a Limoncello, hand-crafted for the discerning palate.

Limoncello Elite		32	500		6
Amaretto Elite		28	500		6

The roots of Sette Vie Amaretto originate from a family of master distillers who have been perfecting their craft from the 1880's to today. This family, based in Abruzzo, Italy, began selling Amaretto under their own label in the late Nineteenth century. As the recipe passed from father to son, the flavour profile has been refined while adhering to the family ethos of using only the best natural ingredients of the region. Sette Vie Amaretto is and always will be faithful to the rules set out by this family of Italian artisans, resulting in what we believe to be the world's finest Amaretto. Sette Vie Amaretto is handcrafted from a perfectly balanced blend of bitter and sweet almonds, giving it its velvety smooth taste. By using natural ingredients throughout the process, we ensure that every sip of our amaretto is packed with sumptuous flavours and luxurious aromas that will scintillate your senses.
